EDUCATION

- ❖ **JIS University** Aug 2022 — Oct 2026
B.Tech. in Computer Science & Engineering CGPA - 9.67
- ❖ **Naihati Narendra Vidyaniketan** Jul 2022
West Bengal State Board (XII) Percentage - 90
- ❖ **St. Soldeirs Convent School (H.S.)** May 2020
West Bengal State Board (X) Percentage - 81

PROJECTS

- ❖ **Restuarant Management System**
- Designed and developed a comprehensive restaurant management system encompassing billing, inventory, menu updates, customer feedback, and accounting functionalities.
 - Utilized Redux for state management, React Router for navigation, and Axios for API integration amd used tailwind CSS to design UI components.
- ❖ **Automated Attendance System**
- Created the attendance system using OpenCV to capture and recognize individuals accurately, enabling real-time attendance recording.
 - Integrated Firebase for cloud support, allowing instant upload of attendance data with timestamps for entry and exit, boosting accuracy.
- ❖ **Shruti-AI , a GPT-3.5 ed chatbot**
- Built a chatbot within a React framework, enabling seamless integration into web applications.
 - Leveraged GPT 3.5's language capabilities to offer dynamic and contextually relevant conversations with users.

SKILLS

- ❖ **Languages**
- Python, C, C++, JavaScript
- ❖ **Tools/Technologies**
- Git/GitHub, React, Axiom, Tailwind CSS, MongoDB, SQL, Django, OpenCV, Firebase
- ❖ **Area of Interest**
- Web Development, Machine Learning, Server-Side Development, Data Management

LANGUAGES
